

# MEMORY MASTER

2 - 4 players

36 cards

## Instructions:

- 1) Shuffle the cards and lay them face down in rows.
- 2) The youngest player goes first and turns proceed in a clockwise direction.
- 3) On their turn, a player turns over any 2 cards to reveal the images.
- 4) If the 2 flipped cards are a matched pair, the player keeps the cards and gets another turn.
- 5) If the 2 flipped cards do not match, the player turns them back face down. Their positions on the table should not change. It becomes the next player's turn.

6) The game continues until all cards have been matched.

7) At the end of the game, the player with the most pairs wins.
